About the Café Refresh Service

Café Refresh at Bradbury House offers a selection of hot and cold food at competitive prices, and in a friendly and welcoming environment.

Our home-cooked style meals are cooked on the premises by our talented catering team and served to you by a dedicated team of volunteers.

Café Refresh is an Age UK North Yorkshire & Darlington initiative. The café has been operated by volunteers for over 10 years with all proceeds going to support Age UK Darlington's services to benefit older people in the borough of Darlington.

Our delicious food is homemade by our experienced cooks and served in accordance with the highest level 5 food hygiene standards, and our Volunteer café attendants offer a warm welcome and are on hand to make your table service enjoyable.

We offer a large selection of food such as sandwiches, panini's, wraps, jacket potatoes, hot meals, Sunday lunch, English breakfast and lots of other yummy snacks. We also provide professional catering for meetings and events.

Give it a try, it's the 'Delicious way to Donate!'

Online Ordering

You can view the café menu and order online for pickup or delivery (Sunday only) at Café Refresh's [website](#).
